

Fantastic duplex apartment with a fantastic garden

Alanya, Kargıcak

36.468264, 32.117633

This charming apartment is located in Alanya / Kargıcak, only about 1.5 km from the sea. Because of its location on a hill, this apartment offers a beautiful and unobstructed view of the sea and the mountains. Kargıcak is a quiet area with its own center, where you will find everything for daily life. In this region nature is still protected because it is not allowed to build very high. The apartment is fully equipped with all furniture. This has the advantage that you can move in immediately, without having to wander through furniture stores for days. You can directly enter the garden from the apartment, this is also an advantage. There is even a kitchen there. Nothing is missing here! There are two living areas in this duplex apartment with a spacious integrated American kitchen, including all appliances: here you will enjoy cozy summer evenings.
