Gazipasa

36.268562, 32.314304

This property is in Alanya / Gazipasa. The big advantage is that you don't have to drive far from the airport to get to this beautiful resort. In Gazipasa and the surrounding area you will find many historical monuments and of course the sea is right outside the door and shines with all its beauty. There is no lack of nature, greenery and tranquility here. This 3-room stepped apartment is located in a well-maintained complex with a beautiful location. The apartments are built above each other, so you always have a sea view. In the apartment you will find a lightly decorated kitchen with all electrical appliances, so you can start cooking right away. A dining area separates the living room from the kitchen and everything is nicely matched in color.
